What is Boys for the Win by Junior Achievement?

This new Junior Achievement of Greater Hampton Roads event connects **middle school males** with local, accomplished men in STEM, Finance, the trades, and more. Through networking and breakout sessions, students gain insight, advice, and inspiration for their future careers.

Why Participate?

- Access to mentors in STEM, Finance, trades, and more
- Learn real-world skills through panels and breakout sessions
- Explore non-traditional and high-demand career pathways
- Gain networking opportunities with local professionals
- Free program with lasting impact on student success

Why Volunteer/Sponsor?

- Inspire the next generation of male leaders
- Showcase your career, company, and industry
- Build connections with students, schools, and the community
- Support a no-cost program for local schools
